

Directions to the New Forest Outdoor Centre

Minstead Manor Estate, Emery Down, Lyndhurst, Hants SO43 7GA Tel: 02380 284 401

Approaching from the north east (Southampton) on the M27

Follow the M27 to its end, when it becomes the A31 dual carriageway. Remain on the A31 as it climbs a hill and bears right.

Go past the turning for Minstead and the garage and Travelodge services on your left and then take the next left, signposted to Emery Down.

Stay on this forest road for about 2km, and drive carefully as the forest ponies have no road sense.

Ignore the signs to Minstead, going straight on at the crossroads.

The road drops down for most of the journey. You will see a tall green hedge on the left and soon after this, a gravel pull in, with two gravel

drives leading from it. Then follow the directions for "the last bit". If you get as far as a small culvert bridge with wooden side rails you have missed the turning. If you find yourself at the New Forest Inn you have definitely missed us!

Approaching from the west on the A31 (Ringwood)

Exit the A31 at Cadnam, just before it becomes the M27, go around the roundabout and back onto the A31 Westbound. Now follow directions for approaching from the north east (Southampton) on the M27.

Approaching from the south west on the A35 from the west (New Milton/Christchurch)

Just before the A35 enters Lyndhurst, after the 40mph sign, you will travel down a hill. On your right, you will see the White Swan Inn. Opposite the pub, on your left is a cricket ground and a left turn signposted to Emery Down. Stay on this road passing the church and the New Forest Inn. After about 1.5km along this road you will go over a small culvert bridge with wooden side rails. Shortly afterwards turn right into a large gravelled pull in. Then follow the directions for "the last bit".

From the east, if you approach on the Southampton Road on the A35 from Ashurst

Follow the sign posts towards Lyndhurst and Lymington. At the one way system at the bottom of Lyndhurst High Street all traffic turns left. Then follow the directions from Lyndhurst approaching from the north east.

From the north east, if you arrive at Lyndhurst on the Romsey Road A337 from the Cadnum direction

As you enter Lyndhurst all traffic turns right at the traffic lights into the High Street. At the bottom of the High Street turn right direction towards Lymington. Then follow the directions from Lyndhurst approaching from the east.

Directions from Lyndhurst approaching from the east.

In the way system keep in the right hand lane and take the right fork, following the direction signed toward towards Lyndhurst. The road then forks again. Take the left hand fork direction New Milton/Christchurch. At the T junction turn left away from Lyndhurst. At the bend in the road, known as Swan Green, with the White Swan Pub on the left hand side and a cricket ground opposite, take the right turning opposite the pub towards Emery Down. Stay on this road passing the church and the New Forest Inn. After about 1.5km along this road you will go over a small culvert bridge with wooden side rails. Shortly afterwards turn right into a large gravelled pull in. Now follow the directions for "the last bit".

The last bit!

You are now in estate of Minstead Manor, marked as strictly private, and we ask that you respect the 10 mph speed limit at all times. For the the main New Forest Outdoor Centre (Carpenter's Barn) take the left hand of the two gravel drives, and drive over the cattle grid, past a house on the left and continue straight on, bearing right at all the forks. Follow the oak signpost marked Carpenter's Barn/NFODC. You will see the Carpenter' s Barn and the carpark on your left. For the Walled Garden area of the Centre please take the right hand of the two gravel drives and follow the signposts toward the Walled Garden.

Only use this entrance to Minstead Manor Estate - there is a large gravel layby - take the left hand track and follow the signage to NFODC

Visitors strictly by appointment

Our private location can be hard to find! Sat Navs do not always take you to the right part of the estate. Please note that once you have pulled into the layby you need to follow the left hand track over the cattle grid, past the strictly private sign and past the small lodge. Then follow the NFODC signage.
